- (b) Osagi Enterprise, LLC., Used Auto Parts Sales, 43 Tobey Street.

XI. UNFINISHED BUSINESS AND MATTERS FOR RECONSIDERATION

XII. NEW BUSINESS

XIII. COUNCIL COMMENTS AND REMARKS

XIV. CLOSING PRAYER

XV. ADJOURNMENT

Items listed on the Council Calendar are those reasonably anticipated by the Council President to be discussed at the meeting. Not all items listed may in fact be discussed and other items not listed may also be brought up for discussion to the extent permitted by law.

*Amended – Item #11775, added to calendar.

JOINT PUBLIC HEARING OF NOVEMBER 3, 2025

Monday evening, November 3, 2025. The Joint Public Hearing of the City Council and Planning Board, held in the City Council Chamber, was called to order by Council President George Tyros at 6:30 o'clock p.m. for the purposed amendment involves changing the zoning of:

11688 – An Ordinance to Amend Chapter 675 of the Code of the City of Gardner, thereof entitled “Zoning” to Allow for the Operation and Use of Cottage Kitchens in Residential Districts within the City of Gardner.”

11704 – An Ordinance to Amend Chapter 675 of the Code of the City of Gardner, thereof Entitled Zoning, to Promote Housing Growth and Production in the City

City Clerk Titi Siriphan called the Roll. Present were:

Members of the City Council (9)

George C. Tyros, President
 Calvin D. Brooks
 Aleksander Dernalowicz
 Karen G. Hardern
 Dana M. Heath
 Brad E. Heglin
 Judy A. Mack
 Paul G. Tassone
 David Thibault-Muñoz

Members of the Planning Board (3)

Paul A. Cormier
 Stephen E. Cormier
 Robert J. Swartz

Councillors Craig Cormier and Elizabeth Kazinskas were absent.

Planning Board member Eric A. Flint was absent.

Information regarding this amendment is available for viewing in the City Clerk’s Office, the Department of Community Development and Planning (DCDP), or on the City’s webpage – www.gardner-ma.gov. All persons interested in this matter and desire to offer testimony are invited to attend the hearing.

#11688 – An Ordinance to Amend Chapter 675 of the Code of the City of Gardner, thereof entitled “Zoning” to Allow for the Operation and Use of Cottage Kitchens in Residential Districts within the City of Gardner.”

Mayor Nicholson, 131 Crestwood Drive, spoke in favor of the zoning amendment. He explained that cottage kitchens are home-based food businesses, most commonly bakeries, which are currently allowed to sell goods off-site or via delivery but not directly from the home where the food is prepared. The ordinance would allow these businesses to sell products on-site.

JOINT PUBLIC HEARING OF NOVEMBER 3, 2025

Mayor Nicholson noted that several cottage kitchens are already operating informally in the city and that at least one prospective business was discouraged after attempting to follow the proper permitting process. He emphasized the importance of supporting home-based businesses, particularly in a post-pandemic environment.

The proposed ordinance would permit cottage kitchens in all residential zoning districts while excluding commercial and industrial districts at this time, allowing the city to evaluate impacts before potential expansion.

President Tyros announced thrice if anyone would like to speak in favor. No one spoke.

President Tyros announced thrice if anyone would like to speak in opposition of the amendment. No one spoke.

President Tyros asked if there were any questions from the Council or Planning Board members.

Councillor Paul Tassone questioned if there are any restrictions on what items can be sold.

Mayor Nicholson responded that the zoning ordinances before the council do not override any aspects of the State Building Code or State Sanitary Code. All applicable requirements would still apply to any business operations, construction, or activities conducted under the amendment. All applicable building and sanitary code requirements would continue to apply.

The public hearing closed at 6:39 p.m.

President Tyros opened the public hearing on item #11704:

#11704 – An Ordinance to Amend Chapter 675 of the Code of the City of Gardner, thereof Entitled Zoning, to Promote Housing Growth and Production in the City.

Mayor Nicholson, 131 Crestwood Drive, spoke in favor of the zoning amendment. He submitted a H.O.M.E. Zoning Proposal to the Council, attached.

John Bomaci of Candor Realty, 88 Main Street, Gardner, MA, spoke in favor of the proposed ordinance amendment. He stated that parking and setback requirements have caused his company to walk away from multiple projects in Gardner, despite demand for housing. Based on tenant surveys and leasing experience, he noted that many residents own few or no vehicles, making current parking requirements overly restrictive. He said the proposed changes would make development in the area more feasible. While increased housing supply could reduce rents and impact his business in the short term, he believes Gardner is ready for growth and that additional housing would benefit the city overall.

Community Development and Planning Director Jason Stevens, spoke in favor of the zoning amendment ordinance. He stated that as Planning Director, he and his assistant are the first point of contact for residents and developers seeking to build or find housing in Gardner. He noted that his

JOINT PUBLIC HEARING OF NOVEMBER 3, 2025

department frequently assists residents looking for rental housing, home purchases, senior housing, affordable housing, and small-scale developments, demonstrating a clear need for additional housing options. Based on feedback received over his first ten months in the position, he expressed support for the amendment as a positive first step toward meeting residents' housing needs.

President Tyros announced thrice if anyone would like to speak in opposition of the amendment.

Phil Gransewicz of 14 Laurel Lane, Princeton, MA, spoke in opposition. He stated that he is a part owner of a 1.3-acre residentially zoned parcel in Gardner and raised concerns about how the overlay district boundaries were established. He questioned why the overlay zones are located only north of Route 2 and do not include South Gardner, noting that those areas contain similar residential and multifamily uses. While expressing general support for expanding the housing supply, he stated that he opposed what he viewed as arbitrary overlay boundaries and requested clarification from the Planning Commission regarding their rationale and the decision not to extend them citywide.

Mayor Nicholson responded to his concerns by explaining that the overlay district was designed based on areas with the highest concentration of existing multifamily housing and housing vacancies in the city. He stated that the boundaries were developed using assessor and GIS data and aligned with natural breaks such as Route 2, streets, and railroad lines to avoid spot zoning. He emphasized that the intent was to encourage renovation and reuse of existing multifamily properties that have lost grandfathered status. The Mayor noted he would not oppose expanding the overlay to other areas, including South Gardner, if proposed in the future. He clarified that the overlay does not remove any property rights, but instead adds flexibility by providing an additional option for multifamily development, while retaining the underlying single-family zoning for property owners who choose not to pursue it.

Councillor Calvin Brooks commented on the proposed zoning amendment. He noted that it is intended to comply with state zoning requirements and address housing availability and affordability. He stated that while he was initially concerned about increased residential density in single-family neighborhoods, he recognized that Gardner's neighborhoods have historically included a mix of housing types. Councillor Brooks expressed concern about the ordinance's reduced parking requirements and cited long-term growth in vehicle ownership despite relatively stable population levels. He questioned where additional vehicles would park, particularly during snow emergencies, and whether the changes could increase demand for public parking. He requested that the Planning Board, Community Development Department, and Mayor review the parking provisions and study their potential impacts, emphasizing the importance of moving forward thoughtfully and proactively.

Councillor David Thibault-Muñoz commented on the proposed zoning ordinance amendment. Drawing on his experience growing up in rental housing and working in neighborhoods with significant rental stock, he stated that the amendment would help address poor housing conditions often associated with limited affordability. He cited the challenges faced by young adults, including recent graduates working full-time yet unable to afford housing, and emphasized the need to address the housing affordability crisis. He stated that Gardner needs quality, affordable housing options for both renters and first-time homebuyers, particularly to allow current residents to remain in the city.

JOINT PUBLIC HEARING OF NOVEMBER 3, 2025

Councillor Karen Hardern also commented on the proposed zoning ordinance amendment, noting that the proposal has been in development for approximately a year. She described how a long-standing multifamily property in her neighborhood remained vacant after renovation due to zoning rules requiring a special permit after the loss of grandfathered status, despite no change in use. She stated that similar situations exist throughout her ward, where a significant portion of the city's multifamily housing is located and where many properties have been vacant for extended periods. Councillor Hardern emphasized that housing and renovation costs are high and that existing zoning regulations often impede reinvestment in established multifamily neighborhoods. She explained that the ordinance is intended to remove unnecessary barriers while maintaining appropriate safeguards, and that its provisions are targeted primarily to areas already developed with multifamily housing. She stated that the goal is to enable renovation and preservation of long-standing multifamily neighborhoods while balancing housing growth with local control.

President Tyros declared the public hearing closed at 7:30 PM.

Written testimony has also been submitted by the following and are attached:

- Todd O. Wheatley, Millennium Holding Group LLC, 165 Thorndike Street, Lowell, MA
- Anita Muhammad, 29-31 Franklin Ct., Gardner, MA
- Matt Rabbito, Simplified Management, Inc., Massachusetts, New Hampshire and Maine

Accepted by the City Council:

H.O.M.E. Zoning Proposal

COUNCILLOR KAREN HARDERN
MAYOR MICHAEL J. NICHOLSON
UPDATED: NOVEMBER 3, 2025

1

State of the City Address, Jan. 15, 2025

Gardner is no stranger to the housing crisis facing the Commonwealth. In the last fifteen years, Gardner has seen a population growth of approximately 5%. During the same time, the number of houses on the market has decreased by 21%, and both the average sale price of a single-family home and the average rent of an apartment increased by over 100%.

Like many other communities in the area, as more and more people relocate out to Central Massachusetts from the Greater Boston area, and as our population looks for their own housing, **we're seeing a simple Economics 101 issue of supply and demand.** The demand has skyrocketed, and the supply has stayed stagnant, and in some cases, decreased. I saw this first-hand with my experience buying my first home. After almost 2 years of looking and 38 declined offers over asking price, I was finally able to find somewhere. For many of our recent graduates or younger professionals and couples in the City - both current residents looking to stay here and new residents looking to come in - those types of odds are forcing people to look to live elsewhere.

STATISTICAL ANALYSES

Once the arms-length sales have been identified and verified, the assessors should undertake a statistical analysis to determine both the level and uniformity of existing assessments and to identify the sources of any existing inequities.

The total number of arms-length sales used in the analysis submitted on the LA3 Sales Report of all major use classes should be at least 2% of all parcels in that use class or 10 sales in the class, whichever number is greater. If insufficient sales exist to meet the applicable requirement in the base calendar year, twenty-four months of sales for that class must be analyzed and submitted to the BLA for review, time-adjusted as needed. A third year is not required. The major use classes referred to are listed on the next page. If a time-adjustment is performed an analysis must be presented for certification. The analysis of the various classes of property must use sales from the same time period when obtaining the required number of sales. Local home price index may be applied if available and applicable to the community. See pages A3- A7 in the Appendix for additional Time Trend Analysis Information.

The effective date of the analysis is the January 1st prior to the fiscal year. For example, the assessment date for FY2020 is January 1, 2019, and the base year sales to be analyzed are those occurring in calendar year 2018 (January 1, 2018 through December 31, 2018).

Legal Authority for Ordinance Sections

40

Statutory References

- ▶ Section 2: 9th Edition of the MA Building Code, Appendix G
- ▶ Section 3: Chapter 150 of the Acts of 2024
- ▶ Section 4: MGL, c.43D, Local regulations
- ▶ Section 5: MGL, c.40Y
- ▶ Section 6: MGL, c.40A

In any of the above cases, all state laws- including the MA Building Code and the MA Sanitary and Health Code requirements must first be met in order to qualify under the provisions of this ordinance.

41

Ordinance Proposal Breakdown

42

Section 1 – Short Title

Title: *“H.O.M.E. Act” (Housing Opportunity & Modernization for Everyone Act)*

Defines the purpose of the ordinance: to reduce regulatory barriers (“red tape”) to housing production, stabilize costs, and expand opportunities for ownership and development.

43

Section 2 – Addition of Section 675-850: Small Homes (Tiny Homes & Efficiency Homes)

Creates a new zoning section allowing “Small Homes” (up to 600 sq. ft.) as a new, flexible, and affordable housing type.

Key Provisions:

- **Purpose:** Encourage affordable and sustainable small-scale housing to address the housing shortage.
- **Definitions:** Defines “Small Home” and “Small Home Community.”
- **Applicability:**
 - *By Right:* Up to 10 units per acre in specified residential and overlay districts.
 - *By Special Permit:* Projects over 10 units/acre or those in commercial areas.
- **Dimensional Standards:** Sets minimum lot area, setbacks, height (max 20 ft), parking (1 per 3 units), and design requirements.
- **Cluster Site Plan Flexibility:** Allows the Planning Board to waive certain requirements for good design, open space, and infrastructure efficiency.
- **Administration:** Requires compliance with state building and safety codes.
- **Severability:** Protects validity if any section is struck down.

44

Section 3 – Replacement of Section 675-820: Accessory Dwelling Units (ADUs)

Replaces “In-Law Apartments” with modern “Accessory Dwelling Unit” regulations in compliance with the Massachusetts Affordable Homes Act.

Key Provisions:

- **Purpose:** Support affordability, multigenerational living, and housing diversity.
- **Definitions:** Defines “ADU,” “Attached ADU,” and “Detached ADU.”
- **Permitted Locations:** Allowed *by right* in all residential districts (SFR-1, RR-2, GR-3).
- **Standards:** Max 900 sq. ft.; must meet height, setback, and lot coverage limits.
- **Parking:** No new spaces required within ½ mile of transit; otherwise, one additional space.
- **Occupancy:** One ADU per lot; owner must occupy the primary dwelling.
- **Administration:** No special permits required if compliant.
- **Severability:** Maintains ordinance validity if partially invalidated.

45

Section 4 – Addition of Section 675-860: Expedited Permitting of Housing Developments

Establishes a streamlined, time-bound permitting process for residential development.

Key Provisions:

- **Purpose:** Accelerate housing approvals and align with state housing goals.
- **Applicability:** Applies to all residential development types (single-, multi-family, ADUs, Small Homes).
- **Expedited Review:** Final decision required within **90 days** of a complete application.
- **Veterans Preference Housing:** Projects with ≥5% veteran units receive a **10-day reduction** in review time.
- **Appeals:** Must be concluded by the Zoning Board of Appeals within 90 days.
- **Non-Action Clause:** If no decision within 90 days, the application is **deemed approved**.
- **Implementation:** City departments must coordinate to prevent duplicative reviews.
- **Severability:** Ensures continued effect of valid provisions.

46

PRESS RELEASE

Governor Healey Unveils Nation-Leading Plan to Cut Environmental Regulations to Fast-Track Housing Development

Reforms will cut environmental review times from 1+ years to 30 days for housing projects to expedite housing and bring down costs

FOR IMMEDIATE RELEASE:
9/09/2025

Governor Maura Healey and Lt. Governor Kim Driscoll

MEDIA CONTACT

Karissa Hand, Press
Secretary

📞 Phone

617-725-4025

MEDFORD — Governor Maura Healey today announced a nation-leading plan to cut environmental regulations to make it faster and easier to build homes in Massachusetts and bring down housing costs for all residents. These new draft regulations will speed up environmental review times from 1 year or more down to 30 days for housing projects across the state. It will be a game changer for permitting times and costs to build housing in Massachusetts.

Earlier this year, the Unlocking Housing Production Commission (UHPC) presented a report indicating that lengthy environmental reviews for new housing developments can delay projects for months and years and can result in significant, unexpected added costs which have the potential to render projects financially infeasible.

47

Section 5 – Addition of Section 675-570: Starter Home Overlay District

Creates a new zoning framework under Massachusetts Chapter 40Y to encourage “starter home” construction for moderate-income families.

Key Provisions:

- **Purpose:** Promote affordable, family-friendly single-family homes.
- **Definitions:** Defines “Starter Home,” “Starter Home Zoning District,” and “Affordable Housing.”
- **Establishment:** Requires DHCD (state) review and approval before and after adoption.
- **Standards:**
 - Minimum 4 homes/acre.
 - Max unit size 1,850 sq. ft.
 - 50% must have ≥3 bedrooms.
 - 10% affordability requirement for developments > 12 homes.
- **Site Plan Review:** Planning Board must act within 90 days.
- **Reporting:** Requires compliance and development status updates.
- **Revocation:** DHCD can revoke if the City fails to comply.
- **Severability:** Protects the ordinance from total invalidation.

48

Section 6 – Addition of Section 675-590: Housing Priority Overlay District (HPOD)

Establishes overlay districts encouraging higher-density multifamily housing in areas with strong infrastructure and transit access.

Key Provisions:

- **Purpose:** Support compact, transit-oriented, mixed-use housing growth.
- **Definitions:** Clarifies “Multifamily Residential Use,” “HPOD,” and “Transit-Accessible Area.”
- **Establishment:** Council designates mapped overlay zones.
- **Permitted Uses:** Multifamily housing *by right*; mixed-use allowed if underlying zoning permits.
- **Development Standards:**
 - Minimum 10 units/acre.
 - Max height 50 feet.
 - Flexible setbacks and parking.
 - Design standards for livability and neighborhood fit.
- **Site Plan Review:** 90-day review period by Planning Board.
- **Reporting:** City must track unit creation and compliance.
- **Severability:** Ensures continuity if partially invalidated.

49

Section 7 – Amendment to Section 750(B): Schedule of Parking Uses

Simplifies residential parking requirements.

Change: Reduces required parking to 1 space per dwelling unit, regardless of unit size or bedroom count.

50

Section 8 – Addition to Section 770: Cooperative Establishment and Operation of Parking Areas

Allows shared or cooperative parking across multiple lots or uses.

Key Standards:

- Combined lots must provide at least the total spaces required for all uses.
- Can account for different operating hours or shifts.
- Must be within 1,100 feet of the buildings served.

51

Section 9 – Amendment to Section 720(A): Change of Use

Clarifies applicability to residential zoning districts (SFR1, RR2, GR3) only.

Updates language to ensure new uses only add parking proportional to any increase in demand.

52

Section 10 – Amendment to Section 720(B): Commercial and Industrial Properties

Expands this section to cover both Commercial and Industrial districts (Com1, Com2, Ind1, Ind2).

Renames section and updates language accordingly.

53

Section 11 – Amendment to Section 760: Off-Street Parking Standards

Adds a new subsection allowing Compact Car Parking Spaces.

Key Provisions:

- Up to 40% of spaces may be designated for compact cars.
- Clearly marked by signage/stripping.
- Establishes dimensional standards for compact spaces (e.g., 7.5 ft width, 15 ft length).

54

Section 12 – Amendment to Section 770(A): Parking Design Requirements
Deletes outdated subsections (A(1) and A(1)(a)) to modernize parking lot and drive-through design standards.

55

Section 13 – Amendment to Section 770(2): Paved Surface Setback
Reduces the required buffer between parking areas and lot lines from 10 feet to 5 feet, allowing more flexible site layouts.

56

Section 14 – Amendment to Section 770(5): Snow Storage

Deletes the restriction prohibiting snow storage in landscaped areas.
Revised to require only that “adequate provisions for snow removal and/or snow storage” be shown on site plans.

57

Section 15 – Addition of Section 675-590: Inspection of Owner-Occupied Multifamily Units Exempted

Exempts **owner-occupied buildings** with up to five units from annual inspection requirements.
Requires the Building Department to provide annual educational materials on code compliance.

58

Section 16 – Replacement of Table of Residential Uses

Replaces the "Residential Uses" table (Attachment 1) to align with new Small Home, ADU, and multifamily provisions.

59

Section 17 – Replacement of Table of Dimensional Requirements

Replaces the "Lot Area, Frontage, Yard, and Height Requirements" table (Attachment 2) with updated standards reflecting the new housing and parking reforms.

60

Section 18 – Establishment of Housing Priority Overlay District Parcels

Formally applies the Housing Priority Overlay District (HPOD) zoning classification to a comprehensive list of parcels throughout Gardner, as shown on Attachment 3 (Zoning Map).

61

62

This ordinance — the H.O.M.E. Act — comprehensively modernizes Gardner's zoning to:

- Encourage housing production and affordability through streamlined approvals.
- Introduce Small Homes and Starter Homes as new housing types.
- Allow Accessory Dwelling Units by right across all residential zones.
- Create overlay districts for higher-density and transit-oriented development.
- Simplify parking standards and promote shared and compact parking options.
- Introduce inspection flexibility for small owner-occupied multifamily units.
- Ensure that permitting is efficient, transparent, and equitable, including special provisions for veterans housing.

Re: Support for the “H.O.M.E. Act” – Docket #11407

Dear Council President Tyros and Members of the City Council,

My name is Matt Rabbito, and I am the General Manager of Simplified Management, Inc., a property management and general contracting company operating throughout Massachusetts, New Hampshire, and Maine. Our team manages and develops housing across New England, including a meaningful number of units in the City of Gardner. Because we work closely with owners, tenants, contractors, and municipal officials, we see firsthand the challenges that current zoning and parking standards can create for producing and preserving housing.

I am writing to express my strong support for the proposed zoning ordinance titled the “H.O.M.E. Act” (Docket #11407). As outlined in the submission, the ordinance’s provisions — including making certain areas of the City multifamily by right, reducing parking minimums from one space per bedroom to one space per unit, expanding and modernizing regulations around ADUs and tiny home developments, adjusting minimum lot sizes and parking location regulations, and creating expedited permitting and incentives for projects with a veterans preference — are exactly the types of practical, development-friendly policy changes that will help Gardner add much-needed housing.

From our experience managing over 200 units in and around this region, the proposed parking change is particularly well aligned with how residents actually live: most households have one vehicle, and in the limited cases where a household has more than one, we are able to address it on a case-by-case basis prior to lease signing. Requirements based on bedrooms rather than households often have the unintended effect of making small, infill, and rehab projects financially unworkable — especially on underutilized or blighted parcels. Moving to a one-space-per-unit standard will remove an unnecessary barrier to investment without creating a real parking problem in practice.

Just as importantly, the ordinance’s approach to by-right multifamily, larger ADUs (up to 1,250 sq. ft.) in all residential districts, and allowing tiny home developments will give both existing property owners and new investors more tools to create housing at different price points. That flexibility is essential if Gardner is going to respond to the broader housing pressures facing the Commonwealth.

We have been working toward a more development-friendly framework in Gardner for some time, and I appreciate the Mayor, Councilor Hardern, and the Council taking this up now. These changes will make it more feasible to rehabilitate older buildings, reactivate vacant lots, and deliver housing that is well managed, code-compliant, and compatible with surrounding neighborhoods.

Thank you for your consideration and for your continued efforts to expand housing opportunities in Gardner. I respectfully urge the Council and the Planning Board to approve the H.O.M.E. Act as proposed.

Sincerely,

Matt Rabbito

Dear Council President Tyros and Members of the City Council,

I am writing to express my strong support for the proposed zoning ordinance updates submitted by Mayor Mike Nicholson and Councilor Karen Hardern, known as the H.O.M.E. Act (Docket #11407). As a real estate professional actively involved in the Gardner community, I have witnessed firsthand the challenges posed by our region's housing crisis. This innovative proposal represents a vital step forward in addressing housing insecurity, fostering economic growth, and enhancing the quality of life for residents.

The H.O.M.E. Act's targeted reforms—such as designating areas for multifamily by-right development, reducing parking minimums to one spot per unit, streamlining parking regulations, and adjusting minimum lot sizes—will remove outdated barriers that have long hindered housing production. These changes will enable more efficient land use and encourage diverse housing options that meet the needs of families, young professionals, and seniors alike.

Particularly noteworthy are the changes to parking minimums, the provisions for tiny home developments and the expansion of accessory dwelling units (ADUs) to a maximum of 1,250 square feet in all residential districts. These measures promote affordability and flexibility, allowing homeowners to add income-generating units or accommodate multigenerational living without unnecessary red tape. Additionally, the expedited permitting process for housing projects and incentives for developments prioritizing 5% veterans' preference align with Gardner's values of equity and service, ensuring that our veterans and underserved populations benefit directly from new opportunities.

From my perspective in real estate, these updates will not only stimulate local development but also attract investment, create jobs, and bolster the tax base—ultimately strengthening our city's resilience against broader economic pressures. I have no doubt that implementing the H.O.M.E. Act will position Gardner as a leader in innovative, inclusive housing policy across the Commonwealth.

I urge the City Council to approve this ordinance without delay and look forward to its positive impact on our community. Should you require any additional information or insights from my experience in the field, please do not hesitate to contact me. Thank you for your dedication to Gardner's future.

Sincerely,

Todd O. Wheatley

To Whom it may concern,

As a resident and property manager of Simplified Management, I oversee the management of more than 200 residential units in the greater Worcester area, with the majority located here in Gardner.

In my experience, the vast majority of renters and residents maintain only one vehicle per household. In cases where a resident has more than one vehicle, our team is consistently able to find a reasonable solution prior to lease signing and handle it effectively on a case-by-case basis.

I strongly support the proposed zoning ordinance updates that reduce parking requirements to one space per unit, expand by-right multifamily development, and allow for greater flexibility with accessory dwelling units and tiny homes. These changes will encourage responsible growth, make housing development more feasible, and help revitalize underutilized and blighted properties throughout the city.

Thank you for your consideration and for continuing to make Gardner a more accessible and development-friendly community.

Thank you
Anita Muhammad

NOTICE TO ABUTTERS

January 23, 2026

TO ABUTTERS AND OTHER INTERESTED PARTIES:

Pursuant to the provisions of M.G.L., c. 166, §22, you are hereby notified that a Public Hearing will be conducted on **MONDAY, FEBRUARY 2, 2026 at 7:30 o'clock P.M.** on the petition of Massachusetts Electric Company, d/b/a NATIONAL GRID and VERIZON NEW ENGLAND INC. for permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protective fixtures as it may find necessary for the transmission of electricity, said underground conduits to be located substantially in accordance with the plan filed herewith marked:

11754 – High Street – National Grid to Relocate 2 Jointly Owned Poles on High Street beginning at a point approximately 10' feet south of the centerline of the intersection of High Street and Newton Street and continuing approximately 120' feet in an east direction. Relocating P30 and P31 on High Street to alleviate clearance issues to new construction being built on Newton Street.

A sketch of the proposed pole location is attached for your edification.

PROJECT REVIEW MEMORANDUM

To: George Tyros, City Council President
Cc: Dane Arnold, DPW Director
Titi Siriphan, City Clerk
From: Robert Oliva – City Engineer *REO*
Date: January 13, 2026
Project: National Grid City Council Petition – High Street
City Council Item #11754

National Grid has submitted a pole petition for removing two existing poles and replacing them with new poles in slightly different locations on High Street. This is required due to the construction of a new home on the corner of High and Newton Street. I have inspected the proposed locations, reviewed the petition application, and my only comment that is an existing street light on pole P30 will need to be relocated to the new P30.

ORDER FOR JOINT OR IDENTICAL POLE LOCATIONS

To the City Council - Gardner, Massachusetts

Notice having been given and public hearing held, as provided by law,
IT IS HEREBY ORDERED:

that Massachusetts Electric Company d/b/a National Grid and VERIZON NEW ENGLAND INC. (formerly known as NEW ENGLAND TELEPHONE AND TELEGRAPH COMPANY) be and they are hereby granted joint or identical locations for and permission to erect and maintain poles and wires to be placed thereon, together with such sustaining and protecting fixtures as said Companies may deem necessary, in the public way or ways hereinafter referred to, as requested in petition of said Companies dated the 17th day of November, 2025.

All construction under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonable straight, and shall be set substantially at the points indicated upon the plan marked - High St - Gardner - Massachusetts

November 17, 2025. Filed with this order. WR # 31139440.

There may be attached to said poles by Massachusetts Electric Company d/b/a National Grid and Verizon New England Inc. such wires, cables, and fixtures as needed in their business and all of said wires and cables shall be placed at a height of not less than twenty (20) feet from the ground.

The following are the public ways or part of ways along which the poles above referred to may be erected, and the number of poles which may be erected thereon under this order:

High St - National Grid to Relocate 2 JO Poles on High St beginning at a point approximately 10' feet south of the centerline of the intersection of High St and Newton St and continuing approximately 120' feet in an east direction. Relocating P30 and P31 on High St to alleviate clearance issues to new construction being built on Newton St.

Also for permission to lay and maintain underground laterals, cables, and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as each of said petitioners may desire for distributing purposes.

City of Gardner - Executive Department
Mayor Michael J. Nicholson

January 27, 2026

Hon. George C. Tyros, Council President
And City Councilors
Gardner City Hall, Rm 121
95 Pleasant Street
Gardner, MA 01440

RE: A Communication from the Mayor Regarding the Implementation of Exhibit F of Attachment 1 of Chapter 8 of the Code of the City of Gardner, thereof entitled "Primary Non-Union Compensation Schedule."

Dear Mr. President and Councilors,

I am writing to provide you an update on the implementation of the new non-union compensation schedule that was adopted with the passage of Item # 11738.

The new ordinance and step rates have been fully implemented and those employees who were listed in the ordinance received their retroactive payments to the effective date of the beginning of the fiscal year. This was processed in the third pay period in December.

There are a few amendments that the Administration are looking to provide to the City Council in February.

- 1) There are a few mechanic positions that are paid for out of the golf enterprise funds that had a formula calculation error with the new rates. This error was caused due to these positions having their own step scale in the former ordinance, not lining up with the new formula the correct way.
- 2) As was stated during the City Council Meeting of November 17, 2025, some positions had not been originally included due to potential unionization. There are positions that are able to be added to the ordinance as that process has progressed.
- 3) believe the effective date should be amended so that it takes effect before the swim season starts to avoid having two different rates for the season.

The first draft of this amendment has been written but is still under review by the Administration. Once completed, I plan to submit this to the City Council before the end of February.

Respectfully Submitted,

Michael J. Nicholson
Mayor, City of Gardner
