Parents/Guardians of Children Entering Gardner Public Schools in the Fall of 2021

Gardner Public Schools began accepting registration forms on March 16th for the 2021-2022 school year.

You can complete and submit the registration form online at <http://www.gardnerk12.org/942/Registration>.

Gardner Public Schools is also hosting an additional in person registration day at Waterford Street School on

May 13th from 9:30 am- 2 pm and from 5pm- 7pm.

If you bring your child with you on this day staff will also do a quick kindergarten screener with your child. The kindergarten screen is a universal tool to assess kindergarten readiness and detect any areas that your child may struggle with.

The age requirement for Kindergarten is 5 years of age on or by August 31st 2021

At the time of registration parents/guardians must bring the following.

- **A copy of the child's legal birth certificate**
- **Proof of residency**
- **All immunizations**
- **A current physical within the year**
- **At least one lead test with a date and the results.**
- **At the time of their physical, a hearing and vision test with documentation stating the results on their physical form**

These are mandated forms required by the state and therefore if all of the required health information is not submitted, your child will not be completely registered for Kindergarten and will not be able to start school until all the information is received.
